

BLADDER CANCER  
awareness month

# HOW TO SUPPORT FIGHT BLADDER CANCER

We need your help to make a difference with **bladder cancer**.

## Fight Bladder Cancer's Bladder Cancer Awareness Month campaign is a small part of our work we do.

Fight Bladder Cancer is active across four distinctive areas of providing support and information, raising awareness, supporting and funding research and campaigning for the policy changes that are so urgently needed for this much forgotten cancer.

### **Do take a look at our website or get hold of a copy of our FIGHT magazine to find out more.**

But we can only do what we do with the support of people like you. As a charity, we only exist because patients, carers and supporters take time to volunteer where they can, organise fundraising events and make regular or one off donations.

### **95% of our income comes from people like you.**

And we spend every penny with great care to make sure that it has the greatest impact on improving things for bladder cancer here in the UK.

But we need to do more and for that to happen we need **your** help to increase our income by donations and fundraising.

### **Donate to Fight Bladder Cancer.**

Contribute now to the fight against bladder cancer by making a monthly donation of £20 or whatever you can afford, to Fight Bladder Cancer.

Make a one-off donation when ever you can. Why not donate £10 when you Blow Bubbles for Bladder Cancer and get your friends and relatives to do the same?

### **Fundraise for Fight Bladder Cancer.**

Sign up to a sporting event or fun-fundraising event during May via our website. There's lots to choose from with events across the country.

Or why not organise your own event? Perhaps a Bake Sale or a Quiz Night. We have lots of suggestions in our free fundraising packs.

### **Visit our website to donate and find out more about fundraising and being part of TeamFBC.**
